3/26/15		х							х	Dylan sang the 4 questions, mostly from memory. When he got to a phrase that he did not remember, he guessed. I noticed that he needed vowel review so we went over all of the vowels. Even after the review, he still struggled with the "oh" and "ooh" vowels. At times he mixed up the daled and final chaf, and struggled with the letter kuf.	
5/21/15										Knows all letters except: Tet, chaf, tet, Zayin needs help with final letters.	
6/4/15										Homework Lesson 22 and 23 100% Working on Lesson 24 Needs some help retaining the oo vowels
