

Jets Online Courses

For 8th & 9th Graders in Bergen County

Meet 8 – 9th graders from all over Bergen County and learn with a teacher from Israel – Online! This program was piloted last year at Temple Emanuel in Woodcliff Lake and received rave reviews from student participants:

“I think it was great in every way!”

“This is probably the best way I’ve learned about Israel.”

“It’s very fun and more interesting than just reading from a textbook.”

Here are some samples of the many topics from which you may choose:

	<p><u>Contemporary Jewish Issues</u> Deepen your understanding of Israeli and Jewish society, including modern as well as Biblical and Rabbinic perspectives. Topics include ecology, medical ethics, military ethics, land for peace, and more.</p>
<p><u>Hip Hop Hebraics</u> Use contemporary songs and videos to learn about Israeli culture and Hebrew language.</p>	
	<p><u>Tikkun Olam</u> Study classical Jewish texts and virtually visit activists in Israel to consider what steps you can take at home. Topics include sharing resources, caring for the disabled and disadvantaged, environmental awareness, and more.</p>
<p><u>Ancient Israel Through My Eyes</u> Go on virtual trips to experience what life was like in ancient Israel. Sessions include: *A Day in My Life *Hanging Out at the City Gate – Law and Order *Weird Warfare* *Come to Jerusalem: Celebrating Holidays *Biblical Master Chef*</p>	
<p>Over 40 other topics include: <u>Arab-Israeli Conflict</u>, <u>Justice After the Holocaust</u>, <u>Archaeology</u> and <u>Racial Diversity in Ancient and Modern Israel</u>.</p>	
<p>For more information see our website at www.jetsisrael.com</p>
