

Hi Everybody,

One last annoying Email before Shabbat about our Zip Havurah programs this weekend.

Tonight is our Zip Shabbat dinner. We look forward to welcoming you and celebrating Shabbat as a Zip Family. Its going to be a blast....as shabbat always is!!!!

Sunday at Noon - Lunch, learning and Soul-Space construction Begins!!! Please dress warmly. The weather is supposed to be dry but cold. Gloves would be great but we should have some for loan. See the email below about what we are going to be doing specifically. I can assure you, its going to be great. I picked up 100lbs of quick drying concrete - What's more fun than that!?!?!?!?

Lunch will be served at noon (pizza and Salad) where we will do a bit of learning about our project, Judaism and the environment, finding a set place for prayer and meditation, etc.

Then we will get to work. Please be with us for as long as you can.

Looking forward to seeing you tonight and Sunday.

As always, Shul is open on Shabbat as well so if you want to make it a marathon weekend, come and pray/learn with us on Saturday morning.

See you tonight.

Shabbat Shalom
Laurence
