

Shalom Parents,

In December, for our Tzedakah-Mitzvah project the students made beautiful gift cards to include in the welcome bags they filled with the various products each family donated. David Kooby is planning to deliver the bags to the Zaban Tower residents as soon as they confirm a date with him. He will contact our families with that information for those who would like to join him in visiting the residents with the gift bags.

Our last ZIP program for this year is our family Shabbat dinner. In class we are preparing the children to lead various prayers for that service as we study about Shabbat. The Kleber family has offered their home for our ZIP Shabbat Dinner to take place on Friday, April 4th at 6:45 pm. Last year we had a very beautiful and meaningful Kabbalat Shabbat at their home with excellent attendance enjoyed by all our families. We anticipate all of us being together again this year. Please RSVP before March 9th as we will be assigning parts to the students. Linda Brenner will be assisting Nancy with planning the dinner menu and will be contacting you about choosing what each family will be bringing for the dinner we will be enjoying. Thank you for your interest and participation. We have had a very productive and meaningful year together.

Sincerely,
Barbara Kleber
