

## APPLICATION QUESTIONS TO REVIEW IN ADVANCE

### SECTION 1: Basic Personal Information

Brief Description of your role in your Organization:

Number of years in this role:

Number of years in this organization

Number of years in the field:

Number of learners enrolled at your organization (k-12):

Which grades or target audience will you be teaching about Israel in 2018-2019?

List the experiences you've had in Israel including approximate time frames (i.e. family visit, Birthright trip, summer experience, college semester abroad, Jewish study program, etc.)

### SECTION 2: Collaborative Partners from your Organization

**Be prepared with the names and contact information for one senior professional and one lay leader who will support your participation in this fellowship.**

Describe the readiness of your organization to elevate Israel Education. Please include how the collaboration with your specified professional and lay colleague will support this change.

### SECTION 3: Personal Response Questions:

Question #1: Tell us a little about the current level of investment in Israel education at your institution (i.e. **basic** – celebration of Israel-related holidays, etc.; **medium** – a contained educational unit, sporadic referral, etc.; **high** – intentional integration in numerous grades, at frequent intervals, etc.)

Question #2: Share what is compelling for you about developing and facilitating Israel education for your learners. Include the anticipated impact.

Question #3: Explain which age group(s) will be the focus of your program and the rationale.

Question #4: What area(s) of Israel education do you feel most confident about? What so you find most challenging? Is there a topic(s) related to Israel that you choose not to teach?

Question #5: Is there anything else that you'd like to share with us?
