- I will log into the **TiLearn** session using my real name. If I do not, I understand I may be removed from the class.
- I will use the TiLearn class session for educational purposes only.
- I will not use rude or mean language over the Internet, in the chat box, during the **TiLearn** session, or on class documents.
- I will only transmit course-related messages in the chat box, i.e., answers to teacher questions, links to pictures if asked, etc.
- When given permission to write on the virtual white board, I will only write relevant content.
- For the duration of the class, I will only visit websites that my teacher instructs me to visit.
- I will be courteous at all times and I will not disrupt or interfere with the learning of others or the operation of the **TiLearn** class.
- I will complete in a timely manner any independent follow-up assignments which my teacher asks the class to do.

**TiLearn** is an innovative and exciting learning model, and it is a privilege and opportunity to be part of it. Participants are asked to conduct themselves with maturity and focus and to contribute to the learning in both the virtual and on-site classes. I understand that if I cannot follow the guidelines in this agreement, I may be asked to leave the **TiLearn** class and join a traditional, two-day per week class on Mondays and Wednesdays.
