

GENERATION NOW FELLOWSHIP

PERSONAL RESPONSE QUESTIONS

Short Essays (maximum 500 words each)

Question #1: Please tell us why you are applying for this fellowship and how you envision it impacting your professional growth and development.

Question #2: Please tell us how you envision this fellowship having a direct influence on your work and its potential to influence the broader work of your organization.

Question #3: This fellowship is built around the [14 Jewish teen education and engagement outcomes](#) referenced on the Generation Now website. What is your current familiarity with this outcomes framework? What do you believe it contributes to the field of Jewish teen education/engagement? Which three of these outcomes feel most relevant to your work at this point?

Video prompt

In a 1-2 minute video, please tell us about the most influential experience you had during your teen years. Why do you think it was so influential? (Once recorded, you will upload this video to YouTube and submit the link in your application)
